

Elementary Refresher/Workshop Details

This workshop is open to everyone. The Elementary refresher/workshop is useful for anyone who is working with children and wants to know and refresh Elementary Geometry topics. Coursework will consist of lectures on the topic and question and answer session depending on the availability of time. It helps adults to refresh their ideas and work with children in a Montessori elementary environment. Upon completion of the workshop requirements, participants will be awarded a digital participation certificate from MMTI.

Course Component:

Geometry Workshop plan

Schedule 2nd 8th, 9th and 15th Feb 2025

	5 :30 PM	6 :45 PM	8 to 9 PM
02-Feb-2025 Day 1	The story of geometry, alternatives with the ropes Fundamental concepts in geometry Tools of geometry	Lines Building perpendicular bisector Building parallel lines Cutting a line in equal segments	Angles
08-Feb-2025 Day 2	Polygons – triangles Lines of the triangles Theorem of sides	Polygons – quadrilaterals Diagonals of quadrilaterals Drawing quadrilaterals	Polygons with more than 4 sides Building polygons
09-Feb-2025 Day 3	Congruency and similarity Solving the shapes Thales Theorem	Equivalence with divided squares and triangles	Equivalence with iron material
15-Feb-2025 Day 4	Circles Intro, exploration Second Thales theorem Angle at the center Finding the center	Area and perimeter of the circle	Area

COURSE DELIVERY

The course combines the following:

- Online lectures

Language

All lectures will be in English.

REQUIREMENTS FOR CERTIFICATION

The students who attend the refresher/workshop and having an AMI membership and an AMI elementary diploma will get an AMI Refresher certificate from AMI and others will receive a digital participation certificate from the training center. Admission to the Programme does not guarantee certification. 100% attendance is required to receive the participation certification.

Trainer: Mr. Hadrien Roche

Hadrien Roche has studied language, through a master's degree in linguistics and cognitive science, a BA in French as a foreign language, and speech therapies study. He then shifted his focus to education, became a public school teacher, then took the AMI Primary diploma in Chennai in 2006, then the AMI Elementary Diploma in London in 2009. He worked in classrooms for more than 10 years, and has lectured in AMI courses in India, England and France. He has founded and is now in charge of the Institut Supérieur Maria Montessori in Montpellier Méditerranée, the southern branch of the French AMI training center, dedicated to training AMI 6-12 teachers in France
